Whilst we try our best to provide accurate allergy information, some of the products we use have been processed elsewhere before we receive them. We also operate in a very small kitchen. As such we are unable to guarantee any dish is 100% free from any of the above allergens. Some menu items marked V or VE have been cooked in our fryer which may contain traces of non-plant based matter. For those who suffer from serious allergies, please speak with a manager for more details.
